Thursday, August 25, 2016, 11 am EST
Meeting Summary

18f Overview

- 18f presented the prioritized states and opt in states to inform the subcommittee of how the approved template was implemented on the website.
- Two links were provided to the subcommittee and 18f walked through the pages.
 - Luke and Corey will meet offline to make sure federal disbursements disbursed to Montana are correctly displayed.
 - Deloitte will get more information around State Share disbursements
- Presented the difference between prioritized and opt in states and the additional information.
- Discussion around where fiscal costs, it was decided to have a link around economic impacts section to show people where fiscal impacts are.
- Tax expenditures will move up to the State revenues section

Opt in Letters

- For Wyoming we will use the Sep 2013 letter where Wyoming opted in and frame it that they are just growing their participation.
- For Alaska, Veronica is working to get an official opt in from the state.

Deloitte Update

- Deloitte will not be able to provide a general update and tribal overview because it is out of scope under their contract.
 - We will have the tribal information that was previously provided last year.
